

ATTENTION

Medicaid Healthy Indiana Plan (HIP) and Medicaid Hoosier Healthwise Plan (HHW) Holders

Beginning January 1, 2019, Community Hospital, Munster, St. Catherine Hospital, East Chicago and St. Mary Medical Center, Hobart, will no longer be accepting **MDwise HIP** or **MDwise Hoosier Healthwise** insurance plans. Our healthcare services will no longer be considered “in network” and therefore, not covered by insurance.

- **MDwise HIP** members need to call **877-438-4479** to change to a coverage plan that is accepted by one of our hospitals. (Check the plan choices listed below.) Open enrollment for **Medicaid Healthy Indiana Plan is Nov 1 to Dec 15**.
- If you or your dependent child is an **MDwise Hoosier Healthwise** member, call **800-889-9949** to change your plan to one that is accepted at one of our hospitals during your plan’s open enrollment period. (Check the plans listed below.) Open enrollment for the **Medicaid Hoosier Healthwise** plan for children age birth to 19 years is based on your re-enrollment period (call **800-889-9949** for more information).
- Once you change your plan, you will receive a packet explaining that you need to select a doctor. You will need to pick a Community Healthcare System doctor who participates in the **NEW** plan.

Medicaid Plan	Community Hospital	St. Catherine Hospital	St. Mary Medical Center
Anthem HIP/HHW	Yes	Yes	Yes
CareSource HIP/HHW	Not accepted	Yes	Not accepted
MHS HIP/HHW	Not accepted	Yes	Not accepted
